## Notice of Paint Color Change for Our Products

We are pleased to inform you that we are changing the paint color of our measuring instruments from gray to black.

The new black color has already been used for our new products.

The timing of the change will be sequential, starting with those that are no longer in our inventory.

The change is only in the paint color; there is no change in the product specifications.

Old color

Gray base color

New color

Black base color
